June 2021

Ok, it's pretty cold out there, snow on the hills, sleet and the woodbox hasn't been filled up! Will I'll just have to make do with the wood I have until the woodbox filler comes home...haha!!

Wow what an amazing **HANGI**, the money raised will certainly help with the maintaining of our golf club and course. We made over **\$3500**. There are so many people to thank, I won't name them, out of fear of missing someone, to all those that donated food, time, energy, guidance, money, machinery a **HUGH** thank you from the organisers.

You may have noticed the 'Tractor fundraising thermometer' in the lounge...that little red line is moving upwards, getting wider... There are fundraising efforts happening all the time with this one, so just to keep reminding you of some of them:

**K**eep an eye out for your tee off times for the Walker Fourball Matches. The first round is on the 3 July 2021 Good golfing everyone!

**T**he Club Captain role has been filled by Rod Dravitski, we know you are capable of fulfilling this important role, thank you and congratulations.

## A very important message:

To all those that drive carts on the course please drive your carts down the sides of the fairways, NOT in the middle, you will have to do a 'bit' of walking from your cart to your ball.

Do NOT park on tee blocks and or near greens

Please keep an eye out for anyone disobeying this, we need to look after our course during the winter months

**O**ur club hires out golf clubs \$20 and trundlers \$5. Carts are \$30 non-members \$20 members depending on availability.

**I** am hoping to have the shop open everyday from 10:30 – 2:00pm unless playing golf. There will be some hot food, sausage rolls, savouries, maybe sandwiches and fruit for sale, mostly on the weekends before golf. If you have any golf equipment that you wish to sell, please come in and see me. (must be in good condition)
