Just a reminder:

There are no singlets only to be worn on the course. Committee members please set an example. Any member of Mahunga Golf Club can reiterate the rules to any member and green fee players. Our dress etiquette has slipped so lets raise the standards again. Thank you.

Unfortunately I have to mention this again, please tone down the language in and around the club and course. There are better ways to express yourselves.

There will be another clean and week before the Easter helping hands would be very

tidy day/s, this Tournament. All much welcomed.
