

Mahunga Chip Clips

September 2020

We're back !!! Yeah!

So much has happened since I last wrote MCC....I'm only weeks away from being a Gold Card holder...I ride in a golf cart...and pain killer tablets are never too far away...OMG! (oh my gosh)

We've made it back to Level 1 **AGAIN!** let's hope we stay here.

We welcome and are privilege to have as our New Patron **Ray Southey.**

Ray has always shown great interest in Mahunga Golf Club. Advocating for our club with sponsorships, very supportive at many of our club activities. Now Ray has reduced his golfing to 9 holes (still walking) and enjoys the company of his brothers and friends.

Our club championships are well on the way, with the first round been played. Please keep an eye on the draw sheets in the foyer. Unfortunately, we don't have many lady golfers that play in our club championships this year, so it's a family contest (Anita and Cheycoda).

Good luck everyone!

Spring Easter Tournament is held at Labour Weekend this year, (that covid#!?) Oct. 24th (Fri) free round for all tournament players, Oct. 25/26th (Sat/Sun) \$65 pp includes holes in 2, longest drive and nearest the pins. Cooked b/fast Sat/Sun, there will be a gorgeous meal Sunday night, tickets available at registration.

The field is filling up really fast. Those people who have blocked out spaces on the entry form, we require all names of players to be written up urgently please. It's our main tournament and as in previous years it's going to be another **boomer!!**

Our vets enjoyed a beautiful and well attended ‘Lei Day’ which fortunately brought out some members who haven’t played for awhile and a person who hadn’t played at all, but she stated “I played hockey a long long time ago, that might help?”

Vet golf have reintroduced our trophy competitions, that unfortunately were not played for in the past due to small numbers, but we appear to be gaining in numbers again. The Keith Shaw (ladies) and Roy Brider (men) trophies are played for through 2 stableford rounds with the winners having the best combined stableford score. Finals were played for 22 September 2020, congratulations to: Nan McNae with a combined score of 59 and Meki Lauvi with 67. The Veterans Club Championships have started with the first round been played, we have a great turn out of men in the field with 4 women competing for top spot. **Good luck everyone.**

Twilight Golf starting again on the **27 October 2020**. Get a team together!
