

Mahunga Chip Clips

September 2021

Quiz time:

Fergus finds a ball but is not sure if it is his? Without telling anyone he quickly lifts and rotates the ball to see his marking and then replaces the ball. What is the ruling?

A: There is no penalty. B: He gets a one stroke penalty for failing to announce his intention to lift the ball. C: He gets one penalty stroke for failing to mark the spot of the ball.

What's happened so far:

With the stormy weather we had a few days ago, we lost trees, branches, pine cones and what a mess on the course. To all those that took the time to just go out, chain saws in hand, and got those toppled trees and branches cut down and the wood stacked up neatly. For those that endeavoured to tidy the fairways by clearing pine cones and other debris, **Garth** thanks you all for your most treasured support and care that you obviously show for our golf course.

What's going to happen:

With this delta outbreak and the horrendous consequences that have followed, our programme dates have had to be changed, so please keep checking the list of draws for club champions in the foyer, also for other set tournaments that may have been postponed. Two of our postponed events: 3 Person Ambrose and Halberg Day. The match committee apologise for any inconvenience which is truly unfortunate.

BUT!!! look at what is happening... come out and walk/ride around and watch our members fight it out in the club champs, we are down to the semi finals, 2 Oct 2021, some really exciting matches coming up.

30 October: **Liquorland American Foursomes.** I can assure you this tournament is going to be a beauty!! there is a list in the foyer please put your names up it will fill up really fast.

Mahunga Chip Clips

September 2021

What's happening around the club:

Oh my goodness we have had a very busy weekend 25/26th Sept. Our lower lounge was hired out for a birthday party and it was so good to hear fun and laughter and music around the place.

Local club services played their annual tournament at the club and what a thrill it was to see the camaraderie.

We've had big numbers of visiting golfers from other clubs, Taihape GC, Manawatu GC.

There are two new golfing events that are about to start at our club this month.

First: Friday Stableford, tee off 9.30am \$2 for the competition. Everyone invited

Second: Gold Card. All entries are members of Mahunga and a Gold Card holder. There is a draw in the foyer so please go check it out.

I am placing this plea for the second time in MCC:

We need support from any members who are willing to do duties on club days, Saturday and Sundays. Starters, Results, Shop, Bar people. Please see any committee member if you are interested.

To all that have permission to walk their dogs on the course: please take care as we have **new spring life** all round the course.

Answer: C: He gets one penalty stroke for failing to mark the spot of the ball.

If a player lifts a ball under rule 7.3 and fails to mark the spot before lifting it, the player gets one penalty stroke
